Journey through her dark, damp forest.

Shantay is a hairy girl. Hairy ass, hairy pussy, hairy pits. For guys into hirsute ladies, Shantay is paradise. In *Voluptuous Xtra* #1 and in her last appearance in the February '00 issue, this exotic Jamaican got into some hairpie munching with the equally hirsute Belinda, and here she is again, still unshaven...because *she* likes it, and she knows you like it.

The X Rated Files

**VOLUPTUOUS
READERS'
HOT, SECRET
CONFESSIONS**

MY HORNY VALENTINE

Dear X-Rated Files,

My pals at the office dared me to write to you, so here goes. My confession is 100% real. Of course, I've changed the names and places, but I swear what I'm about to tell you really happened.

I have this thing for big-titted strippers, and I have to admit it's gotten me in a lot of trouble, namely with (now) ex-wives and girlfriends.

Hey, I can't help it, but the sight of a voluptuous babe in a pair of platform heels and a rhinestone-studded G-string shaking her gigantic titties in my face does it for me like no regular woman can.

Well, my second divorce became final about three months ago, and I got hosed big

time-again. With no bankroll to speak of, my car repossessed and living in a month-to-month efficiency apartment, I was flat on my ass.

There pretty much wasn't a lot for me to do dating-wise, so I started spending a lot of time at the titty club in my neighborhood. I'll call it the Jaguar Lounge because I can't tell you its real name, but the guys who go there will know it. It's right behind a strip mall, and in my town, everybody just looks the other way. In fact, I've seen the police chief in there from time to time, so you know that it's a straight-up joint with no weird stuff, and you won't get your head kicked in if you fool around with the dancers.

I'd go over around happy hour and hang out until the place closed, making two beers last the whole time. Sure, I wasn't a big tipper and lapdances were beyond my budget, but the gals were kind of friendly and I even think they felt sorry for me. So they'd come by my table and show me their pussies and even give me a free hand job in the back room from time to time.

There's one girl there who really got me nuts. Christy was a tall brunette, I think probably half-Italian, with long

legs, a tight ass that was maybe a little too flat and a pair of natural 38Es that swung so hard, guys would cum in their shorts just watching her dance. I would have guessed her age at about 30, but I heard she was older. Anyway, she looked phenomenal, with a flat stomach that was just round enough in the right places. Her face said "fuck me" and she had high cheekbones and full lips that looked like they really knew how to make a cock dance. Some people said she'd once been a porn star, but that just made it more exciting. I'd spend all night looking at her on stage but for some reason, I didn't have the guts to talk to her. When I'd watch her do lapdances, her hooters just heaved all over the place and I'd have to jack off in a stall in the men's room after she finished her act.

One time, I was coming out of the men's room after getting myself off and I bumped into Christy while she was going back to the dressing rooms. She was only about 5'2" and, man, was she slim and stacked! She was wearing a little transparent blouse that was open so I could see her gorgeous breasts with three-inch areolae. Her G-string barely covered her snatch, which was shaved in a nice V. I didn't know it, but there

were cum stains on my chinos and I'd forgotten to do up my zipper. She ran tit-first into me and my dick popped right out of my pants.

"Careful with that pistol, cowboy," she said as she smiled at me. "You might shoot somebody." Then she saw the jizz on my pant leg and giggled. "Oh, looks like you already did." I was so embarrassed I wanted to either crawl into the biggest hole I could find or rip her blouse off and fuck her right then and there.

The rest of the night, I could have sworn Christy never stopped looking at me, no matter who she was performing for. I dragged my tail home that night and yanked my pud until it nearly fell off.

The next day was Valentine's Day. I don't think there's a shittier holiday for a lonely guy who's a two-time loser. My jaw was dragging all day as I watched the flowers and candy being delivered to the girls in the office of the aluminum siding company where I work, not to mention the hotshot salesmen bragging about where they were going to take their girlfriends for dinner before they got laid. Five o'clock finally came around and I figured I'd mosey over to the club for some beer

and boobs. Imagine how I felt when I found out the club was closed. For Valentine's Day. Now I was really getting bummed.

Not much to do except hit the grocery and liquor store, thinking maybe a couple of boilermakers and the pile of V-Mags under my bed would get me through the night.

So I'm pushing my cart down the aisle and somebody slams into the back of me. I turn around and I see a little chick in a motorcycle jacket with the biggest tits busting out of a tube top, carrying a basket and trying desperately to stuff her jugs back in. Wow! My bone nearly ripped a hole in my dockers. Then I realized who it was.

"Oh, hi. I'm really sorry to bump into you like that." It was Christy. I mean, she had no makeup on, but she looked amazing.

"What are you doing here?" I spluttered. I couldn't believe my eyes.

"Well, silly, even strippers have to do their groceries." Christy laughed and I suddenly realized that she wasn't just the sexiest woman I'd ever seen. She had a personality that really turned me on, too. My balls were bursting with hot semen and my head was spinning as I looked straight at her fabulous tits.

Chaka T.

“I’m in love with my tits.”

She’s just your average working woman...who just happens to have H-cup tits and enjoys fucking on camera.

BY DAVE ROSEN & ELLIOT JAMES

Women are fickle, aren’t they? Take Chaka T., the woman whose face and H-cup breasts you’re looking at right now. When she made her amazing magazine debut in the July ‘02 issue of *Voluptuous*, Chaka told us she had done XXX boy-girl once and didn’t plan on doing it again.

Well, it’s a woman’s prerogative to change her mind, and there’s no way we’d ever try to stop her, especially when she decides to do the nasty again in front of our cameras. In the October ‘02 V-Mag, Chaka went all the way while staring into the camera for virtually every shot and ended up with a big, sticky cum load all over her face and tits. The centerfold in that issue? Chaka kneading her breasts, riding a cock and—yep!—looking right at us. A beautiful sight.

We’ll tell you right now that Chaka in a fuck-and-suck special will be part of an upcoming *Voluptuous Xtra* video and DVD. And we have more pictures of Chaka fucking, too. But we won’t tell you anything else about this 34-year-old wonder because we’d rather she told you herself.

V-mag: Welcome to *Voluptuous*, Chaka, I was reading your biography and found out the unusual way you got into modeling. Can you tell us?

Chaka: Sure! My aunt is very beautiful and she saw beauty in me and suggested that I get into modeling. She hooked me up with a photographer and got me my first head shots.

V-mag: Was she familiar with nude magazines like *Voluptuous*?

Chaka: A little, but I’m talking about modeling with clothes on. I was only 23 at the time.

V-mag: You’ve modeled in clothes?

Chaka: Yes, I've done both, nude and with clothes on. I was a fashion model for a while.

V-mag: Where might we have seen you with your clothes on?

Chaka: Well, I've been in magazines like *Rampage* and *Source* and in the newspaper a couple of times for Macy's and Bloomingdale's. And then in showroom ads for hip-hop magazines and clothing designers.

V-mag: *Source* is a very popular music magazine, isn't it?

Chaka: Yes, very popular.

V-mag: And what about Macy's and Bloomingdale's? What kinds of things were you modeling?

Chaka: Bras, but my head was cut off.

V-mag: So all we'd see is your chest.

Chaka: That's right, focusing on the breast area. Nothing else.

V-mag: Well, we like the entire woman. We don't focus on any one area of the body. That would make us pigs if we only focused on one area.

Chaka: [Laughing] That's true! I've also done some runway modeling when I lived in San Francisco for a spell. I did a show in which I played a dominatrix at a club called DNA, and it was great. I whipped some guys onstage. They enjoyed it.

V-mag: What did you whip them with? Your boobs?

Chaka: Oh, not with my boobs! I did it with a whip. They wish I did it with my boobs.

V-mag: Okay, so I take back my first question. I thought you had gotten into *nude* modeling through your aunt. It turns out you got into *fashion* modeling through your aunt. Now, about bra modeling. What's your bra size?

Chaka: It's 36-H.

V-mag: Now, let me get this straight. You're in newspapers, Macy's and Bloomingdale's, modeling 36H bras? Who wears a 36H besides you and a handful of V-Mag models?

Chaka: [Laughs] I wasn't modeling 36H bras! They don't even make that size in regular stores, believe me. I have to go to special stores. At that time, a little back further, I was only a 36D. Now I'm a 36D five times over.

V-mag: Wow! So your growth spurt has pretty much happened over the last few years, really.

Chaka: That's right. I'm not sure just how it happened. Maybe age and eating. Who knows?

V-mag: Do you still model bras?

Chaka: Not anymore. I had to stop because the bras I was fitting into weren't the ones most women were fitting into. I don't think the average woman could look at me in a bra and think, "That's what I would look like if I bought that bra." So bra modeling, at least for normal stores, was out for me. Besides, I like the idea of people seeing all of me, not just one part of me.

V-mag: How old were you when your chest first started to develop?

Chaka: About 12 or 13, just like most girls. It's nothing abnormal. I'm not even sure why I have such large breasts, but they're here with me and I think they're staying. I enjoy having them. I guess you could say I'm in love with my breasts! [Laughs]

V-mag: What was life like for you in high school because of your breasts?

Chaka: It was great! I got a lot of attention and had no trouble attracting guys at parties. You know, young guys especially are fascinated by large breasts. And I like to party, so I had a great time. I was a real hit on the dance floor.

V-mag: I can just imagine with those big puppies of your bouncing around. So you were a D-cup when you were modeling bras in newspapers and then you started getting bigger. Did you enjoy your growth spurt or were you saying to yourself, "What the hell is going on?"

Chaka: A little bit of both because the attention given by the males was good, but yet

the difficulty finding bras was frustrating, and the weight on my back was frustrating and actually hurt, so medically it was beginning to worry me. And the time I started to develop was kind of unusual, in my mid-20s. I mean, I was already large, at least by most standards, and then I started getting larger just out of the blue. I thought my body had already fully developed.

V-mag: Did you have to get an entirely new wardrobe?

Chaka: Yes. Everything. Bras, tops, suits, everything except pants and shorts, and then I had to keep buying new stuff because my breasts kept on going up a cup or a half-cup to where they are now. But that was okay with me. I love shopping.

V-mag: Do you ever say to yourself, "Are these things ever going to stop growing?"

Chaka: Yes, I'm always saying that. I don't think they've stopped growing even now. I think even over the last half year they've gotten larger. I mean, I'm up to an H. By the time I'm 40, I'll be up to a Z, at least. [Laughs]

V-mag: People must have thought you got implants.

Chaka: People *did* think that, but I'm totally natural. Natural breasts, natural everything. Not even any tattoos or piercings. What you see is the real me.

V-mag: Going back to high school, did you play sports?

Chaka: Yes, I'm very athletic and I always have been. People always ask me how I can play sports, and the amazing part is that my breasts aren't that stretched out. See? [Pops out a breast] I don't really have any stretch-marks, but I played field hockey, basketball, everything. I was always Most Valuable Player, high scorer.

V-mag: So your boobs didn't hinder you from playing sports?

Chaka: Well, sometimes my chin was bruised. [Laughs]. I'm just kidding. I wore a sports bra, but that doesn't look attractive at all. It just kind of smashes them into a block, but I wore those for support. I mean, when I was playing field hockey, I couldn't worry about how my breasts looked. All I worried about was keeping them out of the way. And I wasn't huge like I am now. I was just a D-cup.

V-mag: I would've loved watching you going from first to third on a single. What about trampolining? Volleyball? Headstands? Any of that?

Chaka: [Laughing] No! Headstands? No! I'd probably suffocate if I did.

V-mag: Have you ever suffocated a guy with your boobs?

Chaka: Only if they ask me to. [Laughs] But it's never happened quite to that point. Usually guys try to suck themselves free when I put my boobs in their face. They kind of split them, then grab and suck. No complaints.

V-mag: I'm not surprised. V-Men dream of getting smothered by breasts like yours. Now, let's talk about bras. Do you have them custom made?

Chaka: Yes, I have to. I can't just walk into an ordinary department store and buy them off the rack. I have a 36-inch ribcage and H-cup breasts. Most women with H-cup breasts have like 46-inch ribcages, but as you can see, I'm not built big at all. I have two or three bras on order now from a place called Miss Stevens in Los Angeles. That's a great place. Also, one of my boobs is a little bigger than the other, so they have to make one cup size a little bit bigger. They also put the shoulder pads on me, because I already have deep shoulder indentations permanently in my skin. They'll never go away.

V-mag: So what happens. You go into the shop and the bra man measures your chest?

Chaka: I can't just send in my measurements. I have to go in and get measured. It's a whole process. I can't get out

ALL STACKED ALL NATURAL ALL PLUMP

ALL THIS & HARDCORE, TOO!

Dear *Voluptuous*,

The Holiday '02 issue...wow! With all 15 Model of the Year contestants back-to-back, it was nothing short of breathtaking, from the opening pages (starting with Sharday and Desirae, two of my favorites) until the final pages with Denise Davies, Linsey Dawn and Autumn-Jade.

It didn't help that right in the middle of that, I got the top 10 hot shots of 2002 with amazing hardcore pictures of Princess and the great Susie Wilden, plus super-sexy Orsolya and Anja in sizzling hardcore sets. After going cover-to-cover two times, I couldn't take any more and had to pop in my *XL Xtra* video so I could get off on Samantha in action.

The Holiday '02 issue: the best issue any magazine could dream of putting out.—S.H., Fort Collins, Colorado

IT'S ALL OR NOTHING

Dear *Voluptuous*,

The competition for Model of the Year seems so loaded that making an all-or-nothing choice seems unfair. I like the one-two-three ranking system of previous years better.

Either way, I think "*Voluptuous*" suggests a woman who is at least leaning toward full-figured. The sleek and streamlined form of Linsey Dawn belongs in the *SCORE* competition but not here. Also, the impact of the layout included in the Holiday '02 issue has to play a major role in who readers select. Autumn-Jade's *SCORE* presentation was dynamite. Her *Voluptuous* effort was not as explosive. As for Linsey, it was her most seductive layout ever.

I placed the plumpers in a separate category. There is little doubt that Sarah Mercury has established herself as Queen of the Plumpers with her accumulation of first-place votes in 2001, but I predict Samantha's titanic twin torpedoes will unseat Sarah and limit her reign to one year. But Sarah Mercury is still my favorite.—D.T., Boulder, Colorado

THE ULTIMATE V-GIRL

Dear *Voluptuous*,

Things are tightening up for the prestigious V-Mag Model of the Year Award. I was reading another reader's comments about this, and my views mirror his that several of the models beings considered (Via Paxton, Lenka and Kerry Marie) have never done hardcore videos or pictorials, while others (Desirae, Susie Wilden, Samantha, Autumn-Jade and Diane Poppo) have. I think those who have done XXX would have a decided edge over those who haven't.

In fact, after thinking about this, I came up with an idea that would truly be the epitome of the V-Mag byline, "All Stacked, All Natural." Here is my criteria for any model being considered for Model of the Year:

1. Breasts. In this category, breasts have to be a minimum of 40", according to the tape measure.
2. Aerolae size. Minimum of 2" in diameter. The larger the nipples, the better.
3. Hips. In my world, the minimum hip measurement by tape would be 40" with the waist measurement

Anja (far left) and Orsolya made December's expanded Xtra section XXXtra special. Both can be seen in the new DVD and video *Voluptuous Xtra #5*, available on page 8. Orsolya also fucked in the January '03 *SCORE*.

being at least 10" smaller. This, along with the aforementioned minimum breast size requirements, gives the true hourglass figure and, thus, the true "All Stacked, All Natural" woman.

4. Stunning beauty. A-list level beauty goes a long way toward being voted

the winner, and this would include stuff like a great smile, great hairstyle that truly brings out the model's face, types of sexy outfits worn, etc.

5. Covergirl. Candidates should have made the cover (large photo, if not the only photo) of *Voluptuous* at least three times in a 12-month period. This really would narrow down who's hot and who's not.

6. And, finally, hardcore. All applicants for Model of the Year should have appeared in at least one hardcore boy-girl video in the calendar year. No model can truly say she has what it takes unless she has done hardcore.

According to the majority of the criteria above, the closest gals I can think of that are even be in the running for Model of the Year are Chaz and Sarah Mercury, but neither has done hardcore.—M.R., Philadelphia, Pennsylvania

KERRY FOR MODEL OF YEAR

Dear *Voluptuous*,

Kerry Marie is my favorite for Model of the Year for several reasons.

First, what an incredibly beautiful face with hair to die for and that sweet, innocent look that says, "love me forever." She knows I will.

Secondly, her womanly body that's proportioned just right.

Third, I like the fact she has not done hardcore. It reinforces the sweet, take-me-home feel she conveys.

According to reader M.R.'s criteria, Sarah Mercury (above) and Chaz (below) are the only two real contenders for Model of the Year.

WHERE IS BAILEY?

Dear *Voluptuous*,

I was so looking forward to the Holiday '02 issue with the Model of the Year ballot. I was so sure my girl would be nominated for Model of the Year, or at least Newcomer of the Year. But, after thumbing through page after page, she wasn't there. How the fuck could you leave her off?

The luscious dream girl I'm talking about is the unforgettable Bailey Santanna from the July '02 issue. I mean, chicks like Davina Armstrong from April and Elena from August have good bodies and great tits but are downright homely compared to exotic Bailey. What were you thinking? Look at those strong, thick legs with muscular thighs. Look at that meaty ass just begging to have a tongue planted between it and a cock stuffed into it. Look at that gorgeous pussy, shaved and puffy. Look at her soft middle. And look at those dream-cum-true tits, full

An Asian superboober. That's big news.

Jade is the rarest of rare, a naturally big-titted Asian. Discovered by Scoreland.com editor Elliot James, Jade sent us into a frenzy when she filled her pussy in our new masturbation video and DVD *Stacked & Packed #4* (available on page 9 of this issue). But Jade is very soft-spoken in person, and she claims she's shy. V-Men, take a good look at these photos. Does this lady look shy? No way. And when she showed up at our studio wearing ass-cheek exposing shorts and a cleavage-revealing top, we knew she'd get nasty.

JEZHABELLE

Tits + ass+ sex appeal=V-Mag star.

We knew Jezhabelle was going to be a hit when we asked her what she thinks is sexy. "To watch a man masturbate," came her reply. And what does she do in her spare time? "Have lots of sex." Now this is a girl we can get close to.

As the letters in this month's V-Mail show, Jezhabelle's become a V-Mag favorite, even though she's had only one other appearance (Dec. '02). She's scoring big in the Newcomer of the Year voting and will be in the hunt to the end. No surprise. With her suckable DD-cup rack and bountiful booty, she's prime for V-Mag. And her first video performance, a you-are-there dildo suck and fuck in *Stacked & Packed #4*, is the closest thing you'll get to boy-girl XXX without the boy. Jezhabelle sucks a dildo that's attached to our videographer's crotch. Then she mounts the dildo. Then she gets fucked by it. Yippee!

GEMMA

An FF-cupper who asks, "Why not?"

"I feel the best parts of my body are my boobs," says Gemma, another of our array of big-titted beauties from the United Kingdom, land of flesh pillows. Gemma's a down-to-earth gal who likes what real men like: boxing and beer. Oh, yeah, she likes to dance, too, and when she does, she wears high heels, short skirts and tight tops. Quite a sight.

GWEN

There was just no fucking stopping her.

It's only been a few months since Las Vegas sexpot Gwen Sanders debuted in the January '03 issue of *Voluptuous*, and here she is, already, playing for keeps with real beef. Sin City, indeed. We found out that bad little Gwen likes to be plowed with U.S. Prime Grade-A sirloin and topped off with a faceful of tapioca. "I guess I got lonely the first time I posed," Gwen said. "I wanted some company. I would've happily fucked the photographer, but he was too much of a professional. This is what I would've done to him."

Samantha

**NEW ON
DVD & VIDEO**

A black and white photograph of a woman with long dark hair and bangs, smiling and sticking her tongue out. She is lying on her back, topless, with her hands resting on her large breasts. She is holding a black dildo in her right hand, positioned near her pubic area. The background is a white sheet.

Jackie

They're home alone...and they're playing with their huge tits and puffy pussies. The eight plump, big-titted naturals of the new video and DVD *XL Girls Home Alone* want you to watch them. Among the babes in this flesh-packed masturbation session are sensational Samantha (left), who gives her tits and pussy a creamy workout; Jackie (above), who dildoizes her hairy twat; and J-cup wonder Tracy, who talks and teases and plays with her hooters until you're ready to shoot. And that's just for starters!

Tracy

HANNAH VEIK

Born in Germany. Made in California.

Forgotten today except to aficionados who bought boob mags in the '70s, Hannah had a brief day in the sun. "She was a sophisticated lady with enough charm to bedazzle the most jaded stroker," photographer Bob Ellison said. "She modeled for a short time, then had to go back to Germany for a family emergency. She never returned to the U.S."

HEATHER MICHAELS

More stacked. More packed. More XXX.

Heather Michaels is a V-Girl who gets us hot. Boob-men prize her late-1990s pictorials in *SCORE* and *Voluptuous* (she was the first girl to go hardcore in *SCORE*) and her fucking and sucking performance in the video *SCORE Xtra* #2. And her return to V-Mag last year was a major big-tit event. She's bigger, better and, as you can see here, raunchier.

Now making her seventh appearance in V-Mag, Heather has come a long way since her days as a lifeguard in West Palm Beach, Florida. As we trace her appearances over the past five years, we see that she's gained hooter and hip heft and is, all around, more of what V-Men love. Heather has always been a world-class cock sucker, as these photos show. Just check out the over-the-shoulder knob gobble she's performing on the facing page. And look at how she continues to blow bone even as excess nut juice overflows from her mouth (right). Her wide-body physique lends itself to heavy-duty fucking and sucking. Some girls are built like a brick shithouse. Heather's a battleship with 38DDD guns. Think we're kidding? The dude in this pictorial did. He thought he could conquer Heather, but after servicing her, his dick was drained, his empty balls were ravaged and he had the biggest fucking smile on his face. Put yourself in his shoes. You wish.

INES CUDNA

Introducing a budding big-tit superstar. Just try to take your eyes off her.

The name is pronounced "Ee-ness." The lady's Polish. That's right, V-Mag knows no boundaries in its search for world-class breasts because you, V-Men, deserve it. Ines is a big-titted newcomer who's all too rare: perfectly proportioned, 100% natural, unassuming. A small-town girl from the green fields of Poland. She describes herself as "shy." Dresses down in public. Prefers jeans to tight skirts. And is still in high school. She's the kind of girl you'd take home to meet the parents.

Plumper of the Month

OLENA

From Ukraine, land of wheat and big boobs.

They grow 'em big in the Ukraine, and they grow 'em sturdy. Here's newcomer Olena, who's going to turn 30 in a few months and wants to know if guys still find her sexy. She came to the right place. Olena, a secretary for a big company in Kiev, is the kind of woman many V-Men love: built for maximum comfort.

Here at *Voluptuous*, we consider it our solemn duty (well, okay, we have a helluva good time) to bring you the finest selection of plumpers on the planet. Olena considers it an honor to be in V-Mag. "We are now much freer in the Ukraine than we ever could have been," Olena said. "The reason so many women from this part of the world pose naked is to express our freedom. My mother never could have expressed her sexuality like this." Parents. Let's not talk about parents. Let's talk about Olena's soft curves, heavy E-cup floaters and large, dark areolae.

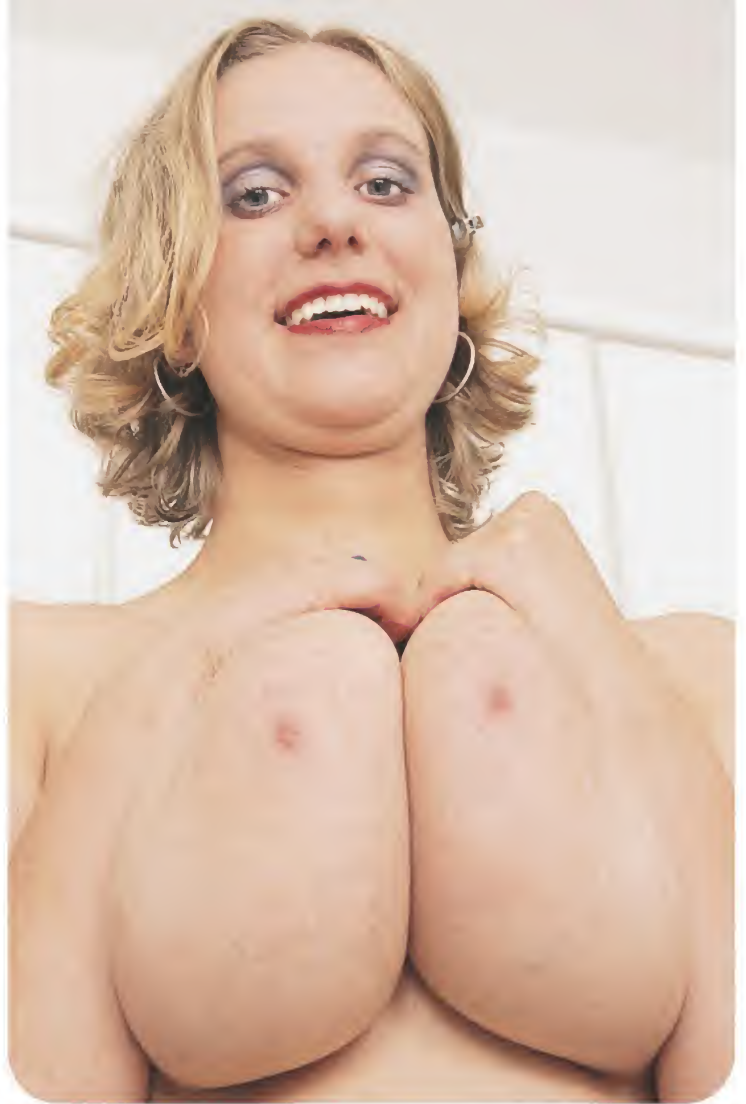

ROMY

V-Men, picture this: It's Friday afternoon, payday, and you're dreading spending your entire lunch hour at the bank. But while standing in the long line, you notice behind the counter a statuesque blonde whose breasts are threatening to pop a few buttons off her sheer, button-down shirt. You catch her eye, she returns your glance and suddenly, the wait doesn't seem so terrible. Meet Romy, a fetching *fraulein* who hails from Germany's southern region of Bavaria. She's a customer service assistant for a bank, and that means she knows all about handling your deposits.

Denise Davies (Dec. '02) stuck a dildo in her mouth, then proceeded from there.

DON'T RUIN A GOOD THING

Dear *Voluptuous*,

Part of the reason I, and I am certain many others like me, buy your magazine is because it is one of the few magazines out there that doesn't do interracial scenes. Don't ruin a good thing.—Name and address withheld

POPPOS! NEVER BETTER!

Dear *Voluptuous*,

Thank you for rescuing the stunning Diane Poppo from that other gentlemen's magazine and giving her the opportunity to display her massive attributes in a first-rate publication.

For many years, I have followed this gorgeous woman's career and become a huge fan in the process. Who else possesses such a complete package as Miss Poppo?

The cover shot of the December issue of Diane tugging on her incredible breasts and her sweet, pouty face had me shelling out my eight bucks in no time. In fact, the entire issue had to be one of the all-time greatest ever published. Once again, *Voluptuous* proves it's miles ahead of the competition.

Please continue your recent trend of featuring the models in more explicit pictorials. I realize quite a few will never be persuaded into following some of the other models into the realm of hardcore, but dildos and toys are also extremely sexy.—J.S., Boston, Massachusetts

DENISE: TOTALLY PLUGGED

Dear *Voluptuous*,

Wow! Denise Davies' dildo-laden pictorial in the December issue was hotter than most boy-girl XXX I've seen. No doubt about it, her swollen milk bags have never looked better, but the way she sucked on that pink dildo, wrapped her huge floppers around it and then shoved two fuck-toys up her ass and cunt had me cumming in buckets. I think I've jerked off to every picture in that spread at least once.—E.J., London, England

LORNA MORGAN'S GOT MILK

Dear *Voluptuous*,

Another super Lovely Lusty Lorna Morgan layout in the December issue. A fine addition to the growing collection of Lorna Morgan Mammary Masterpieces. Lorna's got milk and plenty of it! She again gets my vote for the 2002 V-Mag Model of the Year.—John, Toronto, Ontario

Lorna Morgan's milky pictorial in the Dec. '02 issue might have been her best ever.

JEZHABELLE, LAURA-SUSIE GIRL-GIRL & INTERRACIAL

Dear *Voluptuous*,

Here is a rundown of the features that impressed me most from the December issue:

1. The premiere of the lovely Jezhabelle. A remarkably beautiful and sexy lady who is not shy about demon-

**Jezhabelle

was a December highlight.**

strating her carnal talents as well as every inch of her gorgeous physique. If the way she masters her dildo is any indication, I'd love to see her with a flesh-and-blood cock.

2. Perhaps the best girl-girl spread I've ever seen is the Susie Wilden and Laura Bailey piece. Of course, I may be prejudiced about this one since it features two of my favorite *Voluptuous* models. Susie is radiant and Laura is insatiably beautiful.

3. Another great find is the jaw-dropping beauty and sensuality of the lovely Tracy. She is the epitome of the voluptuous lady with a winning attitude. She is reminiscent of the great Hungarian model of yore, Ildiko. Wow, they really know how to breed them over there!

A final thought concerning the issue of black men and white women. The letter writer in the December issue is right on the money. I recently wrote in to your sister publication, *SCORE*, stating I'm very much in favor of seeing more spreads featuring black studs and white ladies in magazines and videos. Throughout the years, this type of interracial porn has been a big seller and well received

critically. Of course, there will always be people with hangups about it, but along with it comes a certain erotic enigma that is very stimulating.—C.J., Swansea, Illinois

A BLACK & WHITE ISSUE

Dear *Voluptuous*,

A few years ago, a reader wrote in to ask why there were no black men paired with the women in your hardcore section. Your response was that it was an individual choice made by the models, a fair and just explanation that I was able to respect at the time.

However, with the appearance of more black women (and other women of color) in the hardcore section, the explanation now becomes a little hard to swallow. Recently in your magazines and in videos, you've featured Kim Hines, Amanda White, Sierra, Faith, Lola Lane, Africa and, most recently, Chaka T. The only model to appear hardcore with a black guy was Africa.

Voluptuous no doubt has many dark-skinned readers who would like to see a few men of color paired with the models so that we, too, can share in the fantasy of nailing our favorite big-boob models. It almost seems *Voluptuous* isn't making a real effort to pair female models with men of color. Perhaps it was merely an oversight, but I would like to see a real effort made to show

Chaka T. fucked a white cock in the Oct. '02 issue. Interracial sex—particularly black men with white women—is a hot issue among V-Men.

Tracy, December's Plumper of the Month, reminded one reader of former Hungarian V-Girl Ildiko, who last appeared in the Spring '94 issue. We see the resemblance.

B&W? NO FUCKING WAY!

Dear *Voluptuous*,

In response to the letter in the December '02 issue asking for more interracial scenes with black men and white women, all I can say is, "No fucking way!"

If the guy wants that, there are a million places to find it. Just like if a guy wants silicone boobs, there are a million places to find that. Stay true to your roots: the best damn mag out there for white guys to get off on hot, naturally stacked, chicks.

I would prefer that you start a new mag if there really is demand for interracial sex, as you did with XL for the fans of the really big girls. But please, please don't ruin my V-Mag.—J.D., email address withheld

DON'T GO INTERRACIAL!

Dear *Voluptuous*,

I finally got a copy of the latest V-Mag and was stunned by the editorial (V-Mail, Dec. '02). Are you seriously considering going interracial on your loyal fans? Did it ever occur to you that the reason you are successful is that you are one of the only BBW/big-tit mags that doesn't have interracial pics?

A lot of white guys (and I am white) are into the full-figured ladies. Other

than your magazine, it's slim pickings out there in the world of porn. A big part of why guys like porn is the fantasy that they are with the chicks, and a part of that fantasy is guys that look like them.—Email address withheld

Dear Reader: That wasn't our editorial. It was a letter from a reader encouraging us to run more pictorials of black men with the white V-Girls.
